Twizala

Houston

I need a twizla
I'm lookin' for you, baby
I need a girl like you
So beautiful
I really, really want a meet a girl
That ain't about playin' no games
A women wit a mind that's focused on
Workin' for the finer things, yeah
But it's never bout material
'Cuz she's lookin' for somethin' that's gon last
I've been all around the world doin' my thing
Now I'm ready 'cuz
I'm lookin' for a twizala
The kinda girl that get me
Wrapped up all in her lovin'
Make me chill out
And give up on livin'
I'm lookin' for a twizala
The kinda girl that get me
Wrapped up all in her lovin'
Make me chill out
And give up on livin'
I'm kinda gettin' tired of foolin' around
I think it's time to settle down
I'm searchin' for a girl that will ride or die
One dame I can give my last name to
In love with her eyes she gets me high
Naturally one kiss from her
Makes my heart skip a beat
It's to much for me now I'm ready 'cuz
I'm lookin' for a twizala
The kinda girl that get me
Wrapped up all in her lovin'
Make me chill out
And give up on livin'
I'm lookin' for a twizala

The kinda girl that get me
Wrapped up all in her lovin'

Make me chill out
And give up on livin'
One girl yeah, with all the qualities
I need a girl that is sexy as can be
A girl that can keep up with me
That kinda girl is what I want
I'm lookin' for a twizala
The kinda girl that get me
Wrapped up all in her lovin'
Make me chill out
And give up on livin'
I'm lookin' for a twizala
The kinda girl that get me
Wrapped up all in her lovin'
Make me chill out
And give up on livin'
I'm lookin' for a twizala
The kinda girl that get me
Wrapped up all in her lovin'
Make me chill out
And give up on livin'
I'm lookin' for a twizala
The kinda girl that get me
Wrapped up all in her lovin'
Make me chill out
And give up on livin'
I am lookin' for a twizala
Are you that one I'm lookin' for
I am lookin' for a twizala
Are you that one I'm lookin' for
I am lookin' for a twizala
Are you that one I'm lookin' for
I am lookin' for a twizala
Are you that one I'm lookin' for
