Love Me Now

And The Lefthanded

Boy jump the world!
and love me now.
Lets not wait, for tomorrow.
Take this moment, and lets own it.
Lets spend our day,
in the suns gold.
and when the night falls, and darkness calls
All you gotta do is smile,
stand for me boy.
COME LOVE ME NOW
Like therell never be another chance
COME LOVE ME NOW
Like youre saving me the last dance
COME LOVE ME NOW
Rock me slow like a baby
COME LOVE ME NOW
I just need you to love me
COME LOVE ME NOW
Like youll never see my face again
COME LOVE ME NOW
Like the whole world is ending
COME LOVE ME NOW
Rock me slow like a baby
COME LOVE ME NOW
I just need you to love meBoy jump the world!
and love me now.
State your claim
cause Im all yours.
Lets pick a place, anywhere on the globe
and baby lets roll; what ya waiting for?
Cause destiny, dont take rain checks.
So love me now,
with no regrets
COME LOVE ME NOW
Like therell never be another chance
COME LOVE ME NOW
Like youre saving me the last dance
COME LOVE ME NOW
Rock me slow like a baby

COME LOVE ME NOW
I just need you to love me
COME LOVE ME NOW
Like youll never see my face again
