

I Don't Know Anything

Modern English

I've read your books
And seen your films
I've lived this life
And tried everything But I don't know anything Concentrated
Anticipated
Confirmation of inspiration And I don't know anything I've seen your face
Your state of grace
I've watched this world
And how it turns
And I don't know anything Concentrated
Anticipated
Confirmation of inspiration And I don't know anything
