# Little By Little

## Alice Cooper

Black leather gloves and your lipstick shines
Bright as moonlight glows
My wildest rose cuts so fine and deep
It hurts but never shows
You're bad, you're so hardcore
Pull me down here on the killing floorLittle by little we cross the line, ohh, ohh
Little by little the ties that bind, oho, ohh
Little by little by little by little, ohh, ohh
Little by little tonightYour sugar tongue speaks hot and sweet
Lying just for fun
Push and shove, sex is sex
But honey love is love
Oh, we're not sick insane
But just another lovers gameLittle by little we cross the line, ohh, ohh
Little by little the ties that bind, oho, ohh
Little by little by little by little, ohh, ohh
Little by little tonightI'm all undone, my pretty one
Don't slap my face, unless you kiss meLittle by little we cross the line
Little by little the ties that bind
Little by little by little by little
Little by little tonightI hear you beg and you cry for more
You pull me down here on the killing floorLittle by little we cross the line, ohh, ohh
Little by little the ties that bind, oho, ohh
Little by little by little by little, ohh, ohh
Little by little tonightLittle by little we cross the line, ohh, ohh
Little by little the ties that bind, oho, ohh
Little by little by little by little, ohh, ohh
Little by little tonightLittle by little we cross the line, ohh, ohh
Little by little the ties that bind, oho, ohh
Little by little by little by little, ohh, ohh
Little by little tonight
