Love Is On Our Side

Tish Hinojosa

[Chorus]
I'll be around; love is on our side
I'll be around; love is on our side
I'll be around; love is on our side
I'll be around; love is on our side

Love is a two-way street
Didn't know what pain could bring
Time has shown me the way
Now I'm here for a brighter day
For the first time in my life
I can really see the light
In hearts we both have found
True love won't let us down

[Chorus]

Now more than anytime
I need you in my life
Joy will be our guide
Keep the feeling rain or shine
Tender moments fill my mind
They remain till the end of time
Clouds are gone, the skies are clear
And a deeper love appears
