

Don't You Think It's Time

[Don Williams](#)

Don't you think it's time for us to work it out
Don't you think you know what it's all about
Don't you think it's sad livin' all alone
So don't you think it's time for us to get along We know the songs of all the wrongs love that dies nobody tries
But here and now I know what's true I can't live without you
So don't you think it's time for us to work it out
Don't you think you know what it's all about
Don't you think it's sad livin' all alone
So don't you think it's time for us to get along Find the page that says we're old is love at home or is it cold
So don't you think it's time for us to work it out
Don't you think you know what it's all about
Don't you think it's sad livin' all alone
So don't you think it's time for us to get along
