

# I Really Like You' (Liam Keegan Radio Edit)

## Carly Rae Jepsen

I really wanna stop but I just got the taste for it  
I feel like I could fly with the boy on the moon  
So honey hold my hand, you like making me wait for it  
I feel like I could die walking up to the room, oh yeah Late night watching television  
But how'd we get in this position  
It's way too soon, I know this isn't love  
But I need to tell you something I really really really really really really like you  
And I want you, do you want me, do you want me too?  
I really really really really really really like you  
And I want you, do you want me, do you want me too? Oh did I say too much?  
I'm so in my head  
When we're outta touch (outta touch)  
I really really really really really really like you  
And I want you, do you want me, do you want me too? It's like everything you say is a sweet revelation  
All I wanna do is get into your head  
Yeah we could stay alone, you and me and this temptation  
Sipping on your lips, hanging on by a thread, baby Late night watching television  
But how'd we get in this position  
It's way too soon, I know this isn't love (no)  
But I need to tell you something I really really really really really really like you  
And I want you, do you want me, do you want me too?  
I really really really really really really like you  
And I want you, do you want me, do you want me too? Oh did I say too much?  
I'm so in my head  
When we're outta touch (when we're outta touch)  
I really really really really really really like you  
And I want you, do you want me, do you want me too? Who gave you eyes like that, said you could keep them?  
I dunno how to act or if I should be leavin'  
I'm running outta time, going outta my mind  
I need to tell you something, yeah I need to tell you something  
Yeah I really really really really really really like you  
And I want you, do you want me, do you want me too?  
I really really really really really really like you  
And I want you, do you want me, do you want me too? Oh I did say too much? (did I say too much?)  
I'm so in my head (I'm so in my head)  
When we're outta touch (when we're outta touch)  
I really really really really really really like you  
And I want you, do you want me, do you want me, too? (Yeah) I really really really really really really like you  
And I want you, do you want me, do you want me too? (yeah I need to tell you something)

I really really really really really really like you  
And I want you, do you want me, do you want me too?
