

# The Day We Met

## Lyn Saga

Heaven is when you and I  
Didn't say things to make us cry  
We were happy  
In love

Clouds of smoke over our heads  
And angels sang to Greatful Dead  
On the first day  
We met

(How can we try to forget  
Details of the day we met  
It was you and I  
The sky  
Avoiding one another  
We're so much alike  
Drowning here together)

(guitar intro)

Blinded by the moon and sky  
Gravitating to your smile  
When we first said  
Hello

Please God please  
Don't let this be  
Another lie or misery  
We were thinking inside

(Chorus)

(Guitar Solo)

(arpeggio chorus)

(chorus)
