

# How I Got To Be This Way

Justin Moore

I rolled my daddy's truck off the Dixonville curve after drinkin' my fifth beer.

And I fed hogs to pay him back for most of my senior year.

I got my jaw jacked by a big ole boy for messing 'round with his girlfriend.

But she was tall and tan and she kissed just right but I'll never do that again. Yeah I've done some pretty stupid things but hey

I'm a little bit harder and whole lot smarter

That's how I got to be this way. I've been kicked in the face by horse cause I ran up to fast behind him

And I shook hands on a deal with a man just to find out that he was lying.

I've broken a couple good girls hearts cause I said I loved em knowin' I couldn't

An I've given my heart to a woman who said she would stay when I knew she wouldn't Yeah I've done some pretty stupid things but hey

I'm a little bit harder and whole lot smarter

That's how I got to be this way. I've been bit I've been burned

But I've lived and I've learned from it

I've made some mistakes but that's what it takes to make a man out of a kid Yeah I've done some pretty stupid things but hey

I'm a little bit harder and whole lot smarter

That's how I got to be this way.

Yeah I've done some pretty stupid things but hey

I'm a little bit harder and whole lot smarter

That's how I got to be this way.

That's how I got to be this

That's how I got to be this

That's how I got to be this way.
