

Two Way Street

Echosmith

I feel the 4 become 5
And I'm waiting, waiting, waiting
For you to walk down the boulevard and
 to take me, take me, take me
 but the moment you appear
you wake me, wake me, wake me
 out of the slumbers of my head
 from the slums of loneliness.
 and there's no conspiracy
behind the way two hearts meet
 when love is a two way street
 (love is a two way street). ...
 and i think i'm ready
 to let you get under my skin
 I can't make you fall for me
 (love is a two way street).

We're coming close to our fate
they'll put a star beside our names
and I couldn't care for the history
 when i've got you in front of me
 the cars could all collide
the shards of glass won't catch my eye
 because you're almost by my side
 we're counting down at the green light.
 and there's no conspiracy
 behind the way two hearts meet
 when love is a two way street
 (love is a two way street). ...
 and i think i'm ready
 to let you get under my skin
 I can't make you fall for me
 (love is a two way street).
