

# Reach Out, I'll Be There

**Michael McDonald**

Now if you feel that you can't go on  
As if all of your hope is gone  
And your life filled with much confusion  
Until happiness is just an illusion  
And the world around is tumblin' down  
People, reach out  
Come on, reach out with me  
Reach out with me  
Jesus said that  
I'll be there with the love that will shelter you  
I'll be there with the love that will see you through  
When you're alone and about to give up  
'Cause your best just ain't good enough  
And you feel the world has grown cold  
And you're driftin' on all on your own  
When you need a hand to hold  
People, reach out  
Come on, y'all reach out with me  
Reach out with me  
Jesus said that  
I'll be there with the love that will comfort you  
I'll be there with the love that will see you through  
I'll be there now, people, you can always count on me  
Reach out, everybody  
I can tell the way you hang your head  
You're alone now, and you're afraid  
Through your tears you look around  
There's no peace of mind to be found  
I know what you're thinking  
You're alone now with no love of your own  
People, reach out  
Come on, y'all, reach out with me  
Reach out with me  
Jesus said that  
I'll be there with the love that will shelter you  
I'll be there with the love that will comfort you  
I'll be there now, people, you're always a friend of me  
I'll be there with the love that will comfort you  
No, run with me 'cause I'll be there, people  
I will always shelter you  
If you feel like you can't go on, People
