Man In The Iron Mask

Paul Young

When he drops you off, I will not say
Who was that who so quickly drove away
The things you've done and the places you've been
When I open the door for you
I will not let them inAs long as you come back to me
I will never ask
For you I will beThe man in the iron maskYou said you love me and it broke my heart
I was always your prisoner right from the start
The nights you spend without me
this house is like a dungeon
And you only return to torture me more
