

# Man In The Iron Mask

Paul Young

When he drops you off, I will not say  
Who was that who so quickly drove away  
The things you've done and the places you've been  
When I open the door for you  
I will not let them in As long as you come back to me  
I will never ask  
For you I will be The man in the iron mask You said you love me and it broke my heart  
I was always your prisoner right from the start  
The nights you spend without me  
this house is like a dungeon  
And you only return to torture me more
