My dearest friend, you can
My dearest friend, you canYou can get well
You can heal up
You can heal up, get well
Surely you canMy dearest friend, don't go
My dearest friend, don't goDon't go to war
Don't choose to go
You will not win down the cursed path of warMy dearest friend, don't go
My dearest friend, don't goDon't go to war
Don't choose to go
You will not win down the cursed path of warMy dearest friend, you can
My dearest friend, you canYou can get well
You can heal up
You can heal up, get well
Surely you canMy dearest friend, you can
My dearest friend, you canYou can get well
You can heal up
You can heal up, get well
Surely you canThis is the future of an illusion
Aggressive culture of despotism
Living fantasy of the immortal
The reality of an animalThis is the future of an illusion
Aggressive culture of despotism
Living fantasy of the immortal
The reality of an animal
