Air Dance

Bill Ward/Geezer Butler/Ozzy Osbourne/Tony Iommi

She sits in silence, in her midnight world
Her faded pictures, of a dancing girl
A distant dreamer, on the seas of time
Her happy memories, dancing thru' her mindIn days of romance
She was the queen of dance
She'd dance the night awayAnd as the seasons turn the days to years
She holds her pictures, hears the silent cheers
The days grow lonely for the dancing queen
And now she dances only in her dreams
