

# Say It (Warren Clarke Vocal Mix)

## Booty Luv

Why so serious?  
You look ridiculous  
Tryin' to act so cool when I know  
I make you deliriousI can tell you're into me  
But spare me your routine  
Why don't you come over here and  
Just bring me down on my knees?Be a man, tell me  
What you really want  
I'm right here waiting for you  
To take me homeIf you got something to say  
Just say it, say it  
If you want my b-body  
Come get it, get it nowIf you got something to say  
Just get right down to it  
Boy, if you want me, don't be so shy  
Just say it nowIt's so obvious  
You look so curious  
Trying not to stare at me  
But I'm so sexy it hurtsIf you wanna get with me  
You gotta beg and plead  
Why don't you come over here  
So we can let off some steam?Be a man, tell me  
What you really want  
I'm right here waiting for you  
To turn me onIf you got something to say  
Just say it, say it  
If you want my b-body  
Come get it, get it now  
If you got something to say  
Just get right down to it  
Boy, if you want me, don't be so shy  
Just say it nowIf you got something to say  
Just say it, say it  
(Say it now)  
If you want my b-body  
Come get it, get it now  
If you got something to say  
Just get right down to it  
(Oh, yeah)

Boy if you want me, don't be so shy  
Just say it now Tomorrow I'll be gone  
You'll regret it  
There's still some time  
Left to come and get it Is it the way I move  
That makes you stop and stare?  
Or is it too much for you?  
Don't you dare If you got something to say  
(Say, say)  
If you want my b-body  
(Ay, ay)  
If you got something to say  
(Say, say)  
If you want my b-body If you got something to say  
Just say it, say it  
If you want my b-body  
Come get it, get it now  
If you got something to say  
Just get right down to it  
(Come tell me, come say it to me, boy)  
Boy if you want me, don't be so shy  
Just say it now  
(Say it now) If you got something to say  
Just say it, say it  
If you want my b-body  
Come get it, get it now  
(Get it, get it now)  
If you got something to say  
Just get right down to it  
Boy if you want me, don't be so shy  
Just say it now
