

Too Much of Nothing (2007 Remaster)

UFO

I really tried my hardest just to make you understand
It feels like to a boy, when he don't feel like a man
But you gave me so much money
And you would not understand
I realize I hurt you, so I stay just as I am[Chorus]
But the whole world keeps on turnin'
Yes, the whole world keeps on turnin'
But the whole world keeps on turnin'
I just roll along There's been too many mornings
And one too many years
Once went by the big ones who just can't take the pace
We found out the hard way
I hope you understand
That my life is just my head
And I had an overdose[Chorus] I used to try, I used to try
Used to cry, oh I used to cry[Chorus]
