

Anytime, Anyday, Anywhere

Nat "King" Cole

Anytime, any day, anywhere
Say the word, you'd be heard
I'll be there
Makes no difference where it leads me
I'll come running if you need me
Anytime, any day, anywhere
It makes no difference where it leads me
I'll come running if you need me
Anytime, any day, anywhere
Anytime, any day, anywhere
Any day, anywhere
Anytime, any day, anywhere
Say the word, you'd be heard
I'll be there
Anytime, any day, anywhere
