

Angel In the Sky

[Rose Royce](#)

You were so untrue but now you're true
and you became brand new and I changed who? Chorus: And you don't have to say anything

Oh baby I can tell by your eyes

You're like an angel in the sky-yyy

You're like an angel when you open my eyes

eyeeees I can't help at all my dreams come true, without you

and i'm so happy with, i'm kissing you

And you don't have to say anything

Oh baby I can tell by your eyes

You're like an angel in the sky-yyy

You're like an angel when you open my eyes

eyeeees You're like an angel in the sky-yy

You're like an angel when you open my eyes

You're like a winter streaming fall

Just like an angel in the sky

Forever, Forever

Repeat chorus

You were so untrue but now you're true

And I'm so happy with, I'm kissing you

Ooooh you were so untrue but now you're true

and i'm so happy i'm kissing you
