

# Falling Behind

## Dead By April

I'm fading to gray,  
Losing all track of time,  
I'll die, your absurd.

I'm shattered in peices,  
Lift up my eyes,  
I am falling this time.

[Chorus]

I open my heart for you,  
Now im being something im not,  
Memories gone,  
I'm falling behind,  
Now I'm standing,  
Lonley in tears,  
My heart is gone,  
I'm falling behind.

I'm fading away,  
I'm losing the edge (I'm losing the edge)  
A reason to be,  
find me a miracle.

Free my life from this torture,  
what am I worth now,  
My happy ending lost.

[Chorus]

I never felt so alive,  
theres no turning back,  
For this life is long gone,  
I'm falling behind,  
I never felt so cold,  
the legions are winning.

I'm falling behind,  
I'm losing my worst now,  
I'm falling behind,  
My life becomes lifeless,

I'm falling behind.

Standing lonely in tears,  
My heart is gone,  
I'm falling behind.

Now I'm being something I'm not ( something I'm not )  
memories gone,  
I'm falling behind,  
Now I'm standing lonely in tears ( Lonely in tears )  
My heart is gone,  
I'm falling behind.

Now I'm being something I'm not ( something I'm not )  
memories gone,  
I'm falling behind ( falling behind )  
Now I'm standing lonely in tears ( Lonely in tears )  
My heart is gone,  
I'm falling behind
