Hol' up hol' up,  
Hol' up, we dem boyz  
Hol' up, we dem boyz  
Hol' up, hol' up, hol' up, we makin' noise  
Hol' up, hol' up, hol' up, hol' up, hol' upHol' up, we dem boyz

Hol' up, hol' up, we dem boyzHol' up, hol' up, hol' up, pop a bottle  
Hol' up, hol' up, hol' up, if you suck and swallow  
Smell that marijuana, they gon' follow

Pussy must be serious, hol' up  
Scared of heights come face your fears, hol' up hol' up  
Do it just like Nicki gon' and bend it over  
Say she never smoked I turned her to a stoner  
Young nigga but I'm ready

And white girls gimme becky  
But first I gotta roll this joint, baby hol' up hol' upHol' up, we dem boyz
