

Bring On The Night

Sting

The afternoon has gently passed me by
The evening spreads its sail against the sky
Waiting for tomorrow, just another day
God bid yesterday goodbyeBring on the night
I couldn't spend another hour of daylight
Bring on the night
I couldn't stand another hour of daylightThe future is but a question mark
Hangs above my head there in the dark
Can't see for the brightness is staring me blind
God bid yesterday goodbyeBring on the night
I couldn't spend another hour of daylight
Bring on the night
I couldn't stand another hour of daylightBring on the night
I couldn't spend another hour of daylight
Bring on the night
I couldn't stand another hour of daylight
