

Shinobi vs. Dragon Ninja

Lostprophets

Got it all too high, got it figured out
Wanna do whatever, laugh until September
And I seem to think that you are one to be with me
Maybe I was wrong, you were moving on And I sit and wonder, falling under
Get my way or nothing will move on
Everyone has gone You feel so empty but I've got me a friend
And I like it And I know you say I can't care for someone
But are you that clever that you smile forever?
Is it summer yet 'cause I just don't feel it
Maybe it's a treaty, maybe you are not her And I sit and wonder, falling under
Get my way or nothing will move on
Everyone has gone You feel so empty but I've got me a friend
And I like it, ooh
Say now, got it for all of me
And do I
