Woah damn I got bitches from Dallas up to Indy

Used to cross up and post when I pour fours in my Phantom

Bitch I ball like Kyle Korver when I post up in Atlanta

I feel like Monta Ellis

I got more hoes than Elvis

Who the fuck say the little boy wasn't balling

I balling like Spalding you know this shit

I won't sign no contract 'til my contract built like a nigga who just won 4 and shit

I'm first round pick you can check my diamonds they shining they big as a toe and shit

Bitch we biting like Gators

I count up my guap on them haters
I love them hoes that mean I feel like I'm Monta Ellis
Had to cut some niggas off cause they was jealous
Bitch I'm up by 10 ain't no coming back you know that I'm finna win
Bitch its Lil Boat for the MVP
All these niggas they want to be
