Comfort You

Scout Niblett

I will come
Come to comfort you
I will come
Come to comfort you
I will come
Come to comfort you
I will come
Come to comfort you

I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming
I'm coming, I'm coming
