

Thief

CherryCase

Please take all your things and pack them up quietly
It hasn't felt like this in awhile
You act like we're safe and this face holds all these secrets
You don't know how I feel tonight
I'm not a man I'm a thief and I'm a liar
I'm not the one and I'm not anyone to you
So take all you've got
I'll find my way alone

Maybe I'm crazy maybe I'm delirious
Maybe I'm searching for something more than us
Maybe I'm not who you thought I was at all
And possibly I'm innocent but probably not to think of it
I'm probably sinking lies into this song
Maybe I'm not who I thought I was at all

So take your best shot state your only opinion she yelled
Cause you all I've got and you're the reason I'm in this hell
And I don't care how far you've gotta go to break yourself down
I don't care how far you've gotta fly
