

The First Time

U2

I have a lover
A lover like no other
She got soul, soul, soul, sweet soul
And she teach me how to sing Shows me colors when there's none to see
Gives me hope when I can't believe
That for the first time
I feel loved I have a brother
When I'm a brother in need
I spend my whole time running
He spends his running after me When I feel myself going down
I just call and he comes around
But for the first time
I feel love Hoo ho ho ho ho ho
Hoo My father is a rich man
He wears a rich man's cloak
Gave me the keys to his kingdom coming
Gave me a cup of gold He said I have many mansions
And there are many rooms to see
But I left by the back door
And I threw away the key
And I threw away the key
Yeah, I threw away the key
Yeah, I threw away the key Hoo hoo For the first time
For the first time
For the first time I feel love
