Blasphemy

Incantation

[Lyrics & Music by John McEntee & Kyle Severn]Upon the sign of the night
Longing for a prophecy
Indulgence will prevail
The essence of humanityObliterate the trinity
Descending beliefsLord of lies, we defy
His purity, proven only lies
Decayed beliefs, twisted truths
Denounce your faith, we testifyObliterate the trinity
Descending beliefs
His vanquished image
The sign of sufferingBLASPHEMYObliterate the trinity
Descending beliefsWeakness in all his essence
We will triumph
In BlasphemyBLASPHEMYNow pure and excruciating
Enduring in perpetual anguish
We will prevail in BlasphemyBLASPHEMY
