What a Difference You've Made In My Life

Ronnie Milsap

What a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh, what a difference you've made in my lifeWhat a change you have made in my heart
What a change you have made in my heart
You replaced all the broken parts
Oh, what a change you have made in my heartLove to me was just a word in a song that had been way overused
But now I've joined in the singin'
'Cause you've shown me love's true meanin'
That's why I want to spread the newsWhat a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh, what a difference you've made in my lifeWhat a difference you've made in my life, listen to it
What a difference you've made in my life
You're my sunshine day and night
Oh, what a difference you've made, yeahWhat a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh, what a difference you've made
Go ahead and sing itWhat a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh yeah, sing it to me
Oh what a difference you've madeWhat a difference you've made in my life
What a difference you've made in my life
You're my sunshine day and night
Oh, what a difference you've made
What a difference you've made in my life
