

# Neighbours

## The Rolling Stones

Neighbors, neighbors, neighbors  
Neighbors, have I got neighbors?  
Have I got neighbors?  
All day and all nightNeighbors  
Have I got neighbors?  
Ringing my doorbells  
All day and all nightLadies, have I got crazies?  
Scheming young babies  
No piece and no quiet  
I got T.V.'s, saxophone playing  
Groaning and straining  
With the trouble and strifeIs it any wonder  
Is it any wonder  
Is it any wonder  
That we fuss and fightNeighbors, do unto strangers  
Do unto neighbors  
What you do to yourself, yourself, yourself, yourself, yourselfIs it any wonder  
Is it any wonder  
Is it any wonder  
That we fuss and fightNeighbors do unto strangers  
Do unto neighbors what you do to yourself  
Yourself, yourself, yourself  
Neighbors, neighbors, neighbors, neighborsNeighbors, neighbors, neighbors, neighbors  
Neighbors, do yourself a favor  
Don't you mess with my baby  
When I'm working all night  
You know that neighbors  
Steal off my table  
Steal off my table  
And doing alright, alright, alright, alrightNeighbors do unto strangers  
Do unto strangers  
What you do to yourself, yourself, yourself, yourself  
Your, your, your, your, your, your, your, your, your, your, alright
