

Tomorrow

The Cranberries

I think that you're mad
You spend a lot of time in your head
I know that you're mad
You spend a lot of time in your head

If you could come away with me
You should come away with me
You should have some faith in me

Tomorrow could be too late

I wish I could change the date
Tomorrow could be too late,
If only you had some faith

Too young, too proud, too foolish,
Too young, too proud, too foolish.

You ask a lot of questions,
You have too much time on your hands
To hell with conclusions,
Why should we make so many plans

So should come away with me
You should come away with me,
You should have some faith in me

Tomorrow could be too late

I wish I could change the day.
Tomorrow could be too late,
If only you had some faith

Too young, too proud, too foolish,
Too young, too proud, too foolish

So great,
I wish I could change the day
Tomorrow could be so great,
If only you had some faith.

Tomorrow could be so great,
I wish I could change the date
Tomorrow could be so great,
If only you had some faith
