

# Can I Get A Twenty

Lil Rob

Hey homeboy you got twenty bucks I could borrow man?  
Ah, you're broke huh?  
Right on, that's cool man  
Hey homeboy what about you holmes?  
You always got some weed holmes  
Can you spot me a twenty?  
I'll pay you back ey  
Come on, I'll pay you back guey  
My Impala hasn't moved in weeks  
Simon I'm feeling kind of shitty homeboy, this is weak  
I gotta get a twenty to get me through the day  
Because you all know I love it when I feel this way  
Without my ride ese how am I gonna get by?  
That's why I need a twenty holmes so I can get high  
But everybody that I'm talking to, they claim is dry  
I know you got some in there ese don't lie  
That's the last time that I'll ever kick you down  
What goes around comes around, I'll catch you on the rebound  
Next time I'm smoking and you wanna smoke  
I'ma laugh like someone told a funny joke  
Damn what a fucked up day  
If I only had a twenty things would be ok  
But no one wants to front me or let me borrow  
I don't think I can wait until tomorrow, fuck these vatos  
[Chorus x2] I drive thirty down the highway  
I got hydraulic fluid leaking down my driveway  
I got a big chrome bill that I can't pay  
Hey homeboy can I get a twenty, pay you back ey, pay you back guey  
Damn it's a fucking shame  
All these silly levas wanna play these silly games  
  
Trying to play Lil' Rob for a little lame  
Had to run vato over like a fucking train, Goddang  
Still didn't get none though  
Why not? Because he really didn't have none bro  
My bad, hey homeboy let me help you up  
I know you don't have no weed, but you got twenty bucks, that I could borrow  
I'd gladly pay you back tomorrow  
But if not then I'll pay you back the day that follows

'cause times are getting rough for this young Chicano  
I don't think I can last another a
