

We Are Having A Hootenanny

The Magnetic Fields

We are havin' a hootenanny now
We are havin' a hootenanny now
Do-si-do down to our hoedown
Our rootin'-tootin' hootenanny
Havin' a hootenanny now
Come and take our personality quiz
Come and take our personality quiz
Get the lowdown on our hoedown
We'll tell you where it is
If'n you take our personality quiz

There'll be somebody there who understands
There'll be somebody there who understands
They won't eat you, they will greet you
And gaze into your eyes and
There'll be somebody there who understands
We are havin' a hootenanny now
We are havin' a hootenanny now
Do-si-do down to our hoedown
Our rootin'-tootin' hootenanny
Havin' a hootenanny now
