Goodbye Tomorrow

Stockholm

Now I see you and you laugh, my friend
"Didn`t I tell you so," you say
I just want to be alone, my friend
Will you please just go away

Today goes on like any other day
It doesn`t know, it doesn`t care
Never knew what loneliness could mean,
having love and then despair

[Chorus]
Goodbye tomorrow, I`m leaving you today
Goodbye tomorrow,
Don`t you be grieving `cause I`m leaving
It won`t matter to you anyway

Now it`s over What am I to do
Will I find the love of you
Can I be sure she`ll know what loving means
Can someone else love like you

[Chorus]

Goodbye tomorrow, I`m leaving you today
