

# Goodbye Tomorrow

## Stockholm

Now I see you and you laugh, my friend  
"Didn't I tell you so," you say  
I just want to be alone, my friend  
Will you please just go away

Today goes on like any other day  
It doesn't know, it doesn't care  
Never knew what loneliness could mean,  
having love and then despair

[Chorus]

Goodbye tomorrow, I'm leaving you today  
Goodbye tomorrow,  
Don't you be grieving 'cause I'm leaving  
It won't matter to you anyway

Now it's over What am I to do  
Will I find the love of you  
Can I be sure she'll know what loving means  
Can someone else love like you

[Chorus]

Goodbye tomorrow, I'm leaving you today
