

# In the End

## Linkin Park

[Chester]  
It starts with one[Mike]  
One thing  
I don't know why  
It doesn't even matter how hard you try  
Keep that in mind  
I designed this rhyme  
To explain in due time[Chester]  
All I know[Mike]  
Time is a valuable thing  
Watch it fly by as the pendulum swings  
Watch it count down 'till the end of the day  
The clock ticks life away[Chester]  
It's so unreal[Mike]  
You didn't look out below  
Watch the time go right out the window  
Trying to hold on, to didn't even know  
I wasted it all just to[Chester]  
Watch you go[Mike]  
I kept everything inside  
And even though I tried  
It all fell apart  
What it meant to me will eventually  
Be a memory of a time when[Chester]  
I've tried so hard  
And got so far  
But in the end  
It doesn't even matter  
I had to fall  
To lose it all  
But in the end  
It doesn't even matter[Mike]  
One thing, I don't know why  
It doesn't even matter how hard you try  
Keep that in mind I designed this rhyme  
To remind myself how[Chester]  
I tried so hard[Mike]  
In spite of the way you were mocking me  
Acting like I was part of your property

Remembering all the times you fought with me  
I'm surprised, it[Chester]  
Got so far[Mike]  
Things aren't the way they were before  
You wouldn't even recognize me anymore  
Not that you wouldn't knew me, back then  
But it all comes back to me[Chester]  
In the end[Mike]  
You kept everything inside  
And even though I tried  
It all fell apart  
What it meant to me will eventually  
Be a memory  
Of a time when[Chester]  
I've tried so hard  
And got so far  
But in the end  
It doesn't even matter  
I had to fall  
To lose it all  
But in the end  
It doesn't even matter I've put my trust in you  
Pushed as far as I can go  
For all this  
There's only one thing you should've known I've put my trust in you  
Pushed as far as I can go  
For all this  
There's only one thing you should've known[Mike]  
I've tried so hard  
And got so far  
But in the end  
It doesn't even matter  
I had to fall  
To lose it all  
But in the end  
It doesn't even matter
