

Nothins Free

Lil Jon & The East Side Boyz

[Ashanti]There's something, that I gotta tell ya"Cause I know, that a brother got needs tonight
I ain't trippin' on ya' pimpin' just that this time'Cause you gotta pay tonight tonight tonight(Chorus)I know you
wanna get paid tonight
But I'm tryna get paid tonight
We ain't even gotta fuss and fight
Just hit me right, sore all night
I know you wanna get in bed wit' me
But you gotta come correctly
Nothin the night is free?[Ashanti]I hope you... can feel me
When I say... pay before you play wit' me
Wanna taste this... but it's priceless

It's something that you never done before, I'm not ya ordinary hoe(Chorus)[Lil Jon]I fell off in the club
(shawty)Not lookin' for love (shawty)But I'm lookin' for a gul (shawty)For I could cut (shawty)Like lil mama

(shawty)And get cum out cha' mouth (shawty)Say you want some cash (shawty)Before I hit that ass
(shawty)I'm not yo' boy (shawty)I ain't no toy (shawty)Don't play no games (shawty)'Cause I ain't lame
(shawty)But foe' my gurl (shawty)I'll give her the world (shawty)Ain't no thang (shawty)To give up that
change (shawty)I ain't rich (shawty)I spend a lil bit (shawty)So who you wit'? (shawty)Let's do this shity
(shawty)(Chorus)[Ashanti]Now I'll be there for you

If you want me to
I'll be by ya' side
If the price is right
Take care of me
