

# Here In Your Arms (Tommie Sunshine Remix)(m'U'z)

## Hellogoodbye

I like where we are  
When we drive in your car  
I like where we are  
Here'Cause our lips can touch  
And our cheeks can brush  
Our lips can touch  
HereWell you are the one  
The one that lies close to me  
Whispers hello, I miss you quite terribly  
I fell in love  
In love with you suddenly  
Now there's no place else I could be  
But here in your armsI like where you sleep  
When you sleep next to me  
I like where you sleep  
HereOur lips can touch  
And our cheeks can brush  
Our lips can touch  
HereWell you are the one  
The one that lies close to me  
Whispers hello, I miss you quite terribly  
I fell in love  
In love with you suddenly  
Now there's no place else I could be  
But here in your armsOur lips can touchOur lips can touch  
HereWell you are the one  
The one that lies close to me  
Whispers hello, I miss you quite terribly  
I fell in love  
In love with you suddenly  
Now there's no place else I could be  
But here in your armsWell you are the one  
The one that lies close to me  
Whispers hello, I miss you quite terribly  
I fell in love  
In love with you suddenly  
Now there's no place else I could be  
But here in your armsHere in your arms
