

American Capitalist

Five Finger Death Punch

I'm a red blooded redneck son of a bitch
I'm a god-damned American Capitalist
I'm gonna kill em all, don't give a shit, license to hate
I'm the one shot, one kill, bringer of pain
[Chorus] I don't wanna believe I'm empty
and I don't wanna believe I'm wrong
I don't wanna regret who I've become
American, Capitalist
American, Capitalist

Yeah, War Is The Answer like I told you before
You're a coward have the power just to stay on the floor
If you're a man, be a man, stop running your lips
Round 3, no mercy, it's The Way Of The Fist
[Chorus] x 3
I don't wanna believe I'm empty
and I don't wanna believe I'm wrong
I don't wanna regret who I've become
American, Capitalist
American, Capitalist
American, American, American
