

# Lie Like a Rug

Kix

First you wanna say yes then you wanna say no  
You're just like the rest, they come and they go  
I know that you're his but you say that you're mine  
Instead of making my love you're making up lies  
You lie like a rug  
You lie lie lie lie lie  
Lie like a rug (She lies - she lies - don't ya deny it)  
I don't need it  
I don't want it  
I've been told, told about you You lie like a rug (Hey)  
You lie like a rug (Whoo)  
You lie like a rug (Hey)  
You lie like a rug Treat me like a doormat  
You walk all over me  
Yeah it's a ?  
? of insincerity  
Lies in the bedroom  
Lie in the tub  
Lie like a rug You lie lie lie  
Lie like a rug (She lies - She lies - Don't you deny it) I don't want it  
I don't need it  
I've been told, told about you. (chorus) First you wanna say yes then you wanna say no  
You're just like the rest, they come and they go  
I know that you're his but you say that you're mine  
Instead of making my love you're making up lies  
You lie like a rug  
You lie lie lie lie lie  
Lie like a rug (She lies - she lies - don't ya deny it)  
I don't need it  
I don't want it  
I've been told, told about you Lie like a rug  
Oh lie lie lie lie lie  
Lie like a rug (She lies - She lies - Don't you deny  
it)  
Lie - Lie  
Lie - Lie  
Lie - Lie  
Lie - Lie  
Lie - Like a rug (chorus)
