Never

Wank

Well, I used to kick the shit out of you
Until I kicked the shit
Delivering punch lines that you never get
Get a grip on yourself before you mess with meYou and me aint the same as we used to be
Condescend me, you cheat, it ain't news to me
You and me ain't the same as we used to be
You never loved me, no, you never loved me, yeahWell, time and time again Im an animal of discontent
Hatred and rage and I never feel the consequence
Wrap it up and shove it, you say you're fed up
Yeah, well, Im fed up too and Ive had enoughTry to stab in my back but you can't hurt me
You and me ain't the same as we used to be
You never loved, no, you never loved me
You never loved meNow I know so I won't walk down that same crooked road
Girl, youre a black hearted bitch
Bet ya never knew and you never will
Im a son of a bitch, yeah, Im dressed to kill
Im looking for a new thing, holding out for good things
Man I want everything yeah, yeahWell, I used to kick the shit out of you
Until I kicked the shit
Delivering punch lines that you never get
Get a grip on yourself before you mess with meCause you and me aint the same as we used to be
Condescend me, you cheat, it aint news to me
You and me aint the same as we used to be
You never loved me, no, you never loved me
You never loved me, you never loved me, yeah
