# Message in Our Music

## The O'Jays

We got a message in our music
We got a message in our music
There's a message in my song
So hum along and sing alongWe got a message in our music
We got a message in our music
There's a message in our song
So open your ears and listen here'Cause we gonna talk about all the things
That's been goin down
(Goin down, goin down)
Get your information
From this means of communication
(Communication)We got, we got it, we got it, a message in our music
We got a message in our music
There's a message in our song
So understand while you dance'Cause were gonna talk about the situation
Of my nations over the world
(Nation, nation)
Try and make you see
Things ain't like they're supposed to be
(Supposed to be)We got, we got it, we got it, a message in our music
