The Road Between

Lisa Marie Presley

Out on the road between nowhere and Hell
I caught a glimpse of my reflection in you
But they can't believe I still want you around
Hung on the line between addiction then it's
I can't believe you said I hurt you again
But I can't afford to let you get away
And I cannot take the darkness when you stay
You're all I see, yeah
Oh it's definitely my fault
You're all I see, yeah
But don't come near me at all
How many roads between your world and mine
How many broken doors and how many fights
I changed my furniture to make you go away
But I'm still overwhelmed at how much space you take
You're all I see, dove little

Oh it's definitely my fault
You're all I see, yeah
Oh but don't come near me at all
And I can't have you right now
And I can't get it right now
And I can't have you right now
And I can't get it right now, now
Now, now, now, give now
You're all I see, dove little
Oh it's definitely my fault
You're all I see, yeah
Oh but don't come near me at all
This is, this is definitely my fault
Hung on the line between addiction and it's
I can't believe you said I hurt you again
