

# Return to Paradise

## Imperio

Hello Space bird, this is your operator  
Get ready for mission "Return to paradise"  
OK Space bird, wait for clearance  
All systems ready  
Good luckAaah aaah aah  
Aaah aaah aahYou're ??? ready  
5000 feet  
7000 feet  
Drifting forward  
20000 feet  
You are on course  
Destination paradiseIndication for ??? : 56 degrees  
Go forward  
Indication for action : 4 degrees  
40000 feet  
Good luckReturn to paradise  
Return and touch the sky  
Return to paradise  
Return to meReturn to paradise  
Return and touch the sky  
Return to paradise  
Return to meOK Space bird, prepare into orbit (?)  
Go forward, go40 seconds  
30 seconds  
8 7 6 5 4 3 2 1  
Lift offYou are reaching interstellar overdrive  
Go forward, goOK Space bird, prepare all systems for landing  
All systems ready for landing  
40000 feet  
7000 feet  
5000 feet  
Touch down  
Welcome to paradise
