River Is Waiting

Irma Thomas

The river is waiting
Come rise up
A new day is coming
Come rise upWell be sailing at first light
Come gather
Set our course for the crossing
TogetherSail on, sail on
River sail on
Sail on, sail on
River sail onThe river is waiting
I'm ready
To slip from this island
I'm readyGonna leave all my sorrows
Behind me
Lift my face to the new day
Im risingOh, sail on, sail on
River sail on
Sail on, sail on
River sail onSail on, sail on
River sail on
Sail on, sail on
River sail onSail on, sail on
River sail on
Sail on, sail on
River sail onSail on, sail on
River sail on
Sail on, sail on
River sail onSail on, sail on
