

# If I Were

## Nothing More

Just tell me, tell me how to keep this  
And I'll be alright  
Just tell me, tell me what's the secret  
And I'll hold it tight  
'Cause I don't want to spend another moment  
Without you again  
Just tell me, tell me how to keep this  
So it never ends  
If I were God, just for a day  
I would be guilty  
Of letting the whole world slip away  
I wouldn't change,  
No, I wouldn't change a thing  
I'd leave the mistakes  
I'll take the blame  
And I'll use the chance  
To keep you just the same  
If I were, if I were God just for a day  
Don't tell me, tell me how it changes  
It's you I can't replace  
Don't tell me, tell me that we're hopeless  
I can learn from my mistakes  
'Cause I don't want to spend another moment  
Without you again  
If I were God, just for a day  
I would be guilty  
Of letting the whole world slip away  
I wouldn't change,  
No, I wouldn't change a thing  
I'd leave the mistakes  
I'll take the blame  
And I'll use the chance  
To keep you just the same  
If I were, if I were God just for a day  
If I were God, just for a day  
I would be guilty  
Of letting the whole world slip away  
If I were God, just for a day  
I would be guilty  
Of letting the whole world slip away  
I wouldn't change,  
No, I wouldn't change a thing  
I'd leave the mistakes  
I'll take the blame

And I'll use the chance  
To keep you just the same 'Cause I don't want to spend another moment  
Without you again 'Cause I don't want to spend another moment  
No, I don't want to spend another  
moment 'Cause I don't want to spend another moment  
Without you again
