

Not Giving Up On Love

[Sophie Ellis Bextor](#)

I know your feeling restless
Like life's not on your side
It's weighing heavy on your mind
But when we stand united
Our hearts they beat in time
And I know we'll make it all alright
Let's bring it back to you and me
There's no one else around
Now don't get lost in gravity
'Cause I want you to hold me now
Nothing else matters
It's just the two of us
And if it all falls down
Nothing else matters
I know we're strong enough
I'm not giving up
I'm not giving up on us

I said I'm not giving up
I'm not giving up on love
We're of the same existence
No lock without a key
We can't deny it's meant to be
Cause I feel it inside
Taking over tonight
I'll be there when the storm is breaking
In this moment I'm yours
You can always be sure
That together we're gonna make it
So baby won't you hold me now
Nothing else matters
It's just the two of us
And if it all falls down
Nothing else matters
I know we're strong enough
