

# Glue Girl

**Nikola Sarcevic**

Hey little girl, where are you going  
I know, I have to change or you're gonna leave  
But hey little girl, my love's still growing  
Is there something I can do to make you believe? I don't wanna lose you  
'Cos I'm stuck on you like glue  
I don't wanna lose you  
Why don't we start out something new? Hey little girl, what game are you playing  
Can you show me to the place where I can learn those rules?  
Hey little girl, I just hope you're staying  
I really don't know why you have to be so cruel I don't wanna lose you  
'Cos I'm stuck on you like glue  
I don't wanna lose you  
Why don't we start out something new? Why don't you stay with me baby?  
I'll do anything you want me to  
I'll be down on my knees  
I'm begging you please  
Let me stay forever with you I don't wanna lose you  
I don't wanna lose you  
I don't wanna lose you  
I don't wanna lose you  
Why don't we start out something new?
