

# Watch Roger Do His Thing

## Main Source

We all know Roger, Roger lives in Queens  
Brooklyn, Manhattan, the Bronx, and he fiends  
For knowledge, and people try to diss him because of that  
Surrounded by the ghetto plus the fact that the brother's black  
But Roger gets high -- grades on tests  
He smokes -- brain cells to rest  
But brothers jel on him because he has a goal  
And gold awards hanging all off the brain pain  
Behold, Roger doesn't fight, his brain is his left and his right  
But if tainted, he just might  
So all you brothers flying with a broken wing  
Watch Roger do his thing

Roger graduated from high school  
But didn't advance or enhance no scholarship, cool  
Flip, he did not, he got a job at a parking lot  
Teased because he wasn't making G's at a crack spot  
He started meeting the people with the high ranks  
Attained a job as a manager at a bank  
Roger started rolling a Benz  
Had a bunch of rich friends and that's where his ghetto life ends  
He rolls around the projects he lived in once in a while  
Sees the brothers that was jelling and cracks a smile  
They have rings, but he has a ring of keys  
And D's, and now my man Roger is worth G's  
He doesn't have to rap or sing  
He has to think, so watch Roger do his thing

Roger has diamonds like I have lyrics  
Always in good spirits, and money's never made  
"Its hip to be suqare" is Roger's main motto  
Cash coming out of his ass like he hit lotto  
He reminices on all the bad years  
Remembers his fear and smiles ear to ear  
Counts a knot and goes to ?Backa Jaluts? to eat  
Hogo Boss on his feet smelling sweet  
Gucci frames and all the high class names  
Stetson suit clean on the scene laying down game  
You can't cramp his style, he's as sharp as the tip of a nail file

You're going to fail, child  
Check him out while he plays with his ring  
Watch Roger do his thing

Roger's a Cassanova now, he's swimming in women  
A symbol in sex messing with their intellects  
Throws parties every week in his happy home  
Out on the island and stays smiling alone  
That's his style, macking skins and laying girls like towels  
Not acting wild  
Question: Roger's life seems complete, right?  
That's what an education can and might do  
It may sound corny but it's true  
Roger does his thing and so can you  
So get your head out the sling  
And watch Roger do his thing, hit it

My man J.D. Drumsticks gets busy. Yo J.D., chill
