## I Don't Remember

## **Powderfinger**

Tonight my heart, well, it broke like glass I made a mistake that I'll never surpass I'm floating in space unattached to the world I cast off the memory of the spell of that girl Whatever I get I guess it's what I deserveI don't remember Just what made it so hard before I know you needed someone to take the fall I know you needed someone to blame it on I smashed the mirror just to look what's behind Picked through the pieces just to see what I'd find I found my heart and it broke like glass I made that mistake that I'll never surpass I let go of my grip on the pastI don't remember Just what made it so hard before I know you needed someone to take the fall I know you needed someone to blame it on Hey, hey, don't you look away Hey, hey, I've got something to say
